COMMUNICATION REGARDING NOTICE  
OF INFORMAL APPLICATION

Hon. Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

VIA FAX: 703-308-2840

The purpose for this communication is to document a telephone conversation which occurred today, April 6, 1995, between the undersigned attorney (John Beulick) and Mrs. Ivy of the U.S. Patent and Trademark Office. Particularly, John Beulick telephoned Mrs. Ivy of the Application Processing Division regarding the Notice Of Informal Application (copy attached) mailed on April 3, 1995 by the U.S. Patent and Trademark Office in the present application. After locating the file for the present application, Mrs. Ivy returned John Beulick's telephone call.

During the course of the telephone conversation, Mrs. Ivy confirmed that the information regarding Hsiao-Shih Chang requested in the subject notice is reflected on the previously filed declaration in the present application. Mrs. Ivy further indicated that there is no need to file a

new oath or declaration in response to the subject notice and that the application would be passed on for further processing.

Accordingly, the undersigned believes that the Notice Of Informal Application has been fully responded to and that at this time, no further action is required by the Applicant. If there are any questions, or if any of the foregoing is not correct, the undersigned respectfully requests that he be telephoned so that any additional matter may be promptly resolved.

Respectfully submitted,

HAVERSTOCK, GARRETT & ROBERTS
